

What can IPAF do for Contractors?

IPAF supports contractors' aims by being a hub for safety, good practice, efficiency and technical know-how.

Contractors can:

- Access a dedicated Contractor area on the IPAF website
- Report accidents through IPAF's accident reporting portal, and view your own dashboard
- Download a comprehensive range of IPAF technical guidance documents free of charge
- Download free toolbox talks and safety posters, customisable to include your logo
- Quickly find IPAF Rental+ Scheme certified members, to ensure you are hiring from an accredited and legally-compliant rental company
- Benefit by showcasing your projects in IPAF industry publications
- Receive direct support from IPAF's Safety & Technical experts as matters arise
- Request expert assistance in developing a MEWP safety policy
- Engage IPAF to support government lobbying on industry topics
- Attend IPAF's industry events providing focused networking opportunities
- Benefit from IPAF's ePAL app for operators, ensuring onsite operators and managers can store, record and share their experience and qualifications directly from the app

For more information and further resources visit:
